

Solufeed Plant Health Cure (PHC)

Plant Health Cure (PHC) is a global market leader in the field of mycorrhiza technology and soil biology. They supply beneficial natural fungi and bacteria as well as other products that make plants stronger and allow them to perform better. This makes it possible to save drastically on pesticides as well as on fertiliser. The user achieves at least the same production at lower cost and the plant is healthier.

Agroacid®

For pH control in agriculture and horticulture, a new safe and clean alternative to concentrated mineral acids.

PRODUCT CODE	SIZE
125.GB1018	10 Litres

AgroWax®

A Natural Wax - A new approach to adjuvant technology.

PRODUCT CODE	SIZE
125.GB1020	10 Litres

Compete® Plus

Rhizosphere inoculant containing 100% biological and natural soil organisms.

PRODUCT CODE	SIZE
125.GB1012	2Kg

MiniPlug®

Beneficial mycorrhizal inoculant for use in creating healthy plug and other small plants.

PRODUCT CODE	SIZE
125.GB1013	1.8Kg

Natural Green™

100% natural plant strengthener containing Calcium, Silicon and Magnesium.

PRODUCT CODE	SIZE
125.GB1080	5Kg

Fulvic 25

Natural soil conditioner.

PRODUCT CODE	SIZE
125.GB1116	20 Litres
