Gro-Sure Planting Magic is a new 4-in-1 planting mix from Westland.

It contains a unique mix of 6 months' nutrients, soil improvers, patented water-controlling granules, nutrient boosters and root builders to deliver superb growing results with minimum time and effort.

The easy to use Planting Magic is suitable for gardeners of all levels, as it requires no complicated measuring - just add one handful to every planting hole to grow bigger, healthier and stronger plants every time. It can be used when planting any type of plant, vegetables, trees or shrubs in pots, containers and borders.

Simplicity of Use

DIG a hole slightly larger than the plant's root ball.

SCATTER a handful of Gro-Sure® Planting Magic into the hole. Lightly mix into the soil then water to activate.

PLANT & WATER: Remove the plant from the pot, place in the hole and back fill and firm with compost. Then give it another watering.

ENJOY!

4 Components for Success

Water storing pockets for better moisture.

Seaweed for healthy plant growth.

Fast-acting nutrients giving plants a great start

Slow-release nutrients for 6 months of nourishment
