

HYGENIQ®

www.hygeniq.com

Hygeniq's mission is to develop and manufacture excellent cleaning and maintenance products in a genuinely sustainable way. Many cleaning products on the market contain dangerous and environmentally harmful chemicals. Hygeniq firmly believes that this can change – and must change!

Hygeniq use the innovative combination of bio-based (green) components and non-standard technologies, including biotech integration, to develop their pioneering solutions. They offer a complete programme of eco-friendly cleaning concepts.

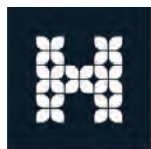

GUARANTEED ENVIRONMENTALLY FRIENDLY

100% SAFE

100% ECO

GUARANTEED SAFE FOR HUMANS AND ANIMALS
